

Visualization Matching Game

R.No: 37 Reg. No: 1924260046 Name: Siva Krishna

Each chart on the left (A-J) matches exactly one description on the right (1-10). Write the matching number next to each letter's blank.

A.		1. _____ Shows magnitude across two categories using color intensity
B.		2. _____ Shows how parts contribute to a whole
C.		3. _____ Shows the distribution of a single continuous variable
D.		4. _____ Shows the relationship between two continuous variables
E.		5. _____ Shows three variables at once using position and size
F.		6. _____ Compares amounts across separate categories
G.		7. _____ Shows how a value changes over time
H.		8. _____ Shows part-to-whole composition across categories
I.		9. _____ Compares distributions across groups and highlights outliers
J.		10. _____ Shows how a cumulative total changes over time

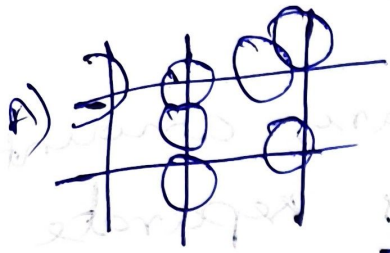

8/10/2026

Name: S. Siva Krishna

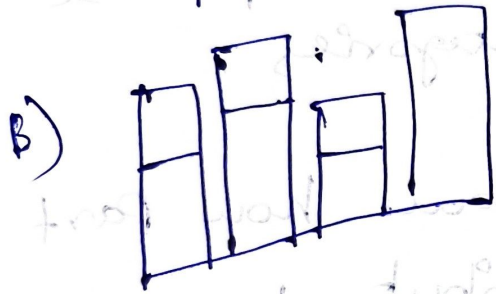

Regno: 1924260046

Rollno: 37

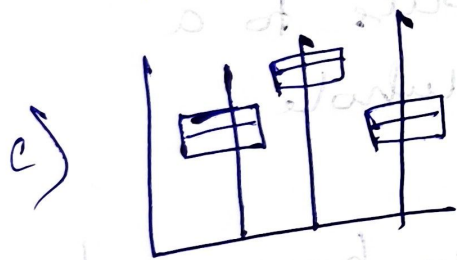

Visualization Matching Game

5) Shows three variables at once using position and size

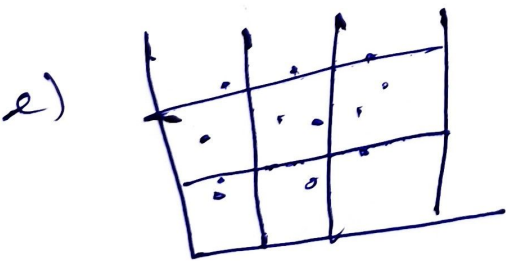

8) Shows part-to-whole composition across categories

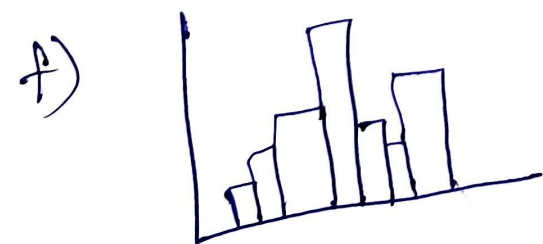

3) Shows the distribution of a single continuous variable

1) Shows magnitude across two categories, using color intensity.

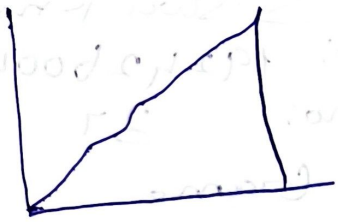

4) Shows the relationship between two continuous variables

6) Compares distribution across group and highlights outliers

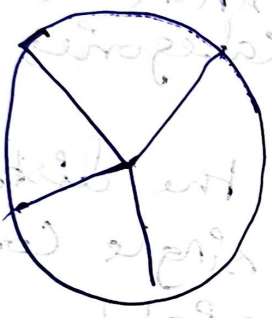

G)

H)

I)

J)

10) Show how a cumulative total changes over time

b) compares amount across separate categories

2) Shows how part contributes to a whole

7) Show how a value changes over time
